Description						
the sales and use tax exemption for commercial radio and television station property						

Assumptions Used in Arriving at Fiscal Estimate

This bill modifies the sales and use tax exemption for commercial radio and television station property. Among other exemptions, a motor vehicle licensed for highway use is exempt from sales and use tax if it is used exclusively in the origination of commercial radio or television program material. This proposal will have no fiscal impact on WisDOT.

Long-Range Fiscal Implications

None.
