Fiscal Estimate Narratives

DPI 6/2/2017

LRB Number	17-1150/1	Introduction Number	AB-0363	Estimate Type	Original
<b>Description</b> prohibiting preexisting condition exclusion and setting rates or cost sharing based on preexisting conditions					

**Assumptions Used in Arriving at Fiscal Estimate**

This bill prohibits 1) a group health benefit plan from imposing a preexisting condition exclusion; 2) an individual health insurance policy from reducing or denying a claim or loss incurred or disability commencing under the policy on the ground that a disease or physical condition existed prior to the effective date of coverage; and 3) a group or individual health insurance policy or a self-insured governmental health plan from considering whether an individual, including a dependent, who would be covered under the plan has a preexisting condition for the purpose of setting any deductibles, copayments, or coinsurance under the policy or plan.

Local: Indeterminate

The Department is not in a position to estimate the fiscal impact of this bill on school districts because it neither collects the applicable health insurance/health care cost data from school districts nor possesses the expertise to cost out the changes to health insurance plans that would be necessary to conduct such an estimate.

State: Indeterminate

The Department is not in a position to make a fiscal projection.

**Long-Range Fiscal Implications**
