

Fiscal Estimate Narratives

DCF 1/18/2017

LRB Number	17-1106/3	Introduction Number	AB-0004	Estimate Type	Original
Description Child care record keeping and eligibility for child care subsidies (suggested as remedial legislation by the Department of Children and Families)					

Assumptions Used in Arriving at Fiscal Estimate

Assembly Bill 4 contains remedial legislation changes related to the Wisconsin Shares program. These changes remove obsolete language and make clarifying changes with regards to record keeping, eligibility requirements, and maximum payment rates for providers. This bill also moves record keeping language from 49.155 to 48.654.

The changes included in this bill will not have a fiscal impact on programs or operations.
