

Fiscal Estimate Narratives

DNR 3/8/2018

LRB Number 17-5403/1	Introduction Number AB-0985	Estimate Type Original
Description establishing a nanotechnology information hub and a nanotechnology council		

Assumptions Used in Arriving at Fiscal Estimate

The bill creates a nanotechnology council to set policies and priorities for the proposed UW System nanotechnology information hub and to make grants for research and development related to nanotechnology. Council membership would included the DNR Secretary, or designee, and would meet at least twice each year.

Fiscal Effect

The bill would increase costs to the extent that the DNR Secretary, or designee, would attend council meetings. These costs are indeterminate and would be absorbed within the agency's existing budget.

Long-Range Fiscal Implications
