Description identifying land for a Wisconsin School of Urban Agriculture					

Assumptions Used in Arriving at Fiscal Estimate

This bill directs the Department of Agriculture, Trade and Consumer Protection (DATCP) to identify available municipal, county or state land for a Wisconsin School of Urban Agriculture. The bill further directs that the land identified by DATCP, in consultation with the Institute for Urban Agriculture and Nutrition or its member organizations, must reside within the 30th Street Industrial Corridor in Milwaukee.

DATCP is not able to determine or estimate the costs of identifying unused and available municipal, county, or state land for a Wisconsin School of Urban Agriculture. The Department of Administration has the primary authority and resources to oversee the development, planning, improvement, or maintenance of state and municipal facilities and building projects. Therefore, the fiscal effect of this bill on DATCP is not able to be determined.
