forfeiture of property seized in relation to a crime					

Assumptions Used in Arriving at Fiscal Estimate

This bill contains various changes to the procedure for forfeiture of property after it has been seized in relation to a crime.

This bill would not have a fiscal impact on the Department of Corrections (DOC) because DOC does not receive any funds from civil forfeiture and is not involved in the collection of any funds related to civil forfeiture.

The local fiscal impact of this bill is indeterminate because DOC does not currently have records of the civil forfeiture practices of each locality and the amount of money, if any, those localities receive from civil forfeiture.
