Assumptions Used in Arriving at Fiscal Estimate

The bill requires the Department of Workforce Development to establish a 10 year grant program for annual grants to individuals who were charged out of state tuition to attend and complete an educational program at Wisconsin Technical College System's (WTCS) colleges, the University of Wisconsin System universities and colleges, or an apprenticeship program. Eligible individuals must have resided and been employed in Wisconsin for at least two years after graduation. The annual grants are for no more than 5 consecutive years and are in amounts equal to 10 percent of the difference the individual was charged for tuition as an out of state resident and the amount the individual would have been charged if they were a resident of Wisconsin.

As the source of annual grants to individuals is not WTCS, the legislation will have no state fiscal impact on WTCS.
