Fiscal Estimate Narratives

Description an exemption from work search requirements for certain individuals claiming unemployment insurance benefits					

Assumptions Used in Arriving at Fiscal Estimate

Under current law if an Unemployment Insurance claimant can reasonably expect to return to employment with their previous employer, they may qualify for a waiver from the work search requirement. Current law limits the number of weeks the exemption can be claimed to 8 weeks with a possibility of a 4 week extension with former employer verification of a recall to employment. The bill states that a claimant is exempt from the work search requirement for up to 26 weeks.

The one-time IT changes needed to implement the law will take 84 hours for a total \$7,300 and \$2,200 in administrative costs.

The law change is estimated to cost the Unemployment Insurance Trust Fund \$3,170,000 annually. The 2015 Session estimate of an identical law change relied on claimant data available at the time. An additional year of data has since been collected and the estimate has been adjusted accordingly.
