

## WISCONSIN LEGISLATIVE COUNCIL ACT MEMO

**2017 Wisconsin Act 93**  
[2017 Assembly Bill 251]

**Grant Programs Administered by  
the Department of Public  
Instruction**

2017 Wisconsin Act 93 combines the following four grant programs, which had been implemented by individual Department of Public Instruction (DPI) administrative rule chapters, into one rule chapter:

- Ch. PI 16, Wis. Adm. Code., relating to four-year-old kindergarten grants.
- Ch. PI 32, Wis. Adm. Code., relating to grants for alcohol and other drug abuse programs.
- Ch. PI 38, Wis. Adm. Code., relating to grants for peer review and mentoring.
- Ch. PI 39, Wis. Adm. Code., relating to grants for tribal language revitalization.

Under Act 93, all four grant programs are implemented and administered according to ch. PI 38, Wis. Adm. Code., relating to state grant programs. The Act also establishes default grant administration procedures for other DPI-administered state grant programs, which apply to the extent that the administration of those programs is not otherwise controlled by specific administrative rules or statutes.
