- 1 **AN ACT to create** 36.27 (2) (cr) and 38.22 (6) (e) of the statutes; **relating to:**
2 University of Wisconsin and technical college nonresident tuition exemptions.

Analysis by the Legislative Reference Bureau

This bill creates a nonresident tuition exemption for certain technical college and University of Wisconsin System students.

Current law allows the Board of Regents of the UW System to charge different tuition rates to resident and nonresident students. Current law also includes nonresident tuition exemptions, under which certain nonresident students pay resident tuition rates. This bill creates an additional exemption for an alien who is not a legal permanent resident of the United States and who: 1) graduated from a Wisconsin high school or received a declaration of equivalency of high school graduation from Wisconsin; 2) was continuously present in Wisconsin for at least three years following the first day of attending a Wisconsin high school or immediately preceding receipt of a declaration of equivalency of high school graduation; and 3) enrolls in a UW System institution and provides the institution with an affidavit stating that he or she has filed or will file an application for permanent residency with U.S. Citizenship and Immigration Services as soon as the person is eligible to do so.

The bill also provides that an alien described above is considered a resident of this state for purposes of admission to and payment of fees at a technical college.
