1 **AN ACT to amend** 51.422 (1) of the statutes; **relating to:** creating additional
2 opioid treatment programs and making an appropriation.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Health Services to create, and provides funding for, two or three additional opioid treatment programs in underserved and high-need, but not necessarily rural, areas. Current law requires DHS to create two or three opioid treatment programs to provide treatment for addiction in rural and underserved, high-need areas. The programs must provide counseling, abstinence-based treatment, and medication-assisted treatment without using methadone. The additional programs must conform to the same requirements as the original programs.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 51.422 (1) of the statutes is amended to read:
