1 **AN ACT to amend** 70.67 (1) of the statutes; **relating to:** the municipal treasurer's
2 bond for tax distribution.

Analysis by the Legislative Reference Bureau

This bill provides that, unless the municipality enacts an ordinance obligating the payment of state and county property taxes to the county, a municipal treasurer must execute a surety bond that guarantees the payment of the taxes to the county treasurer. The amount of the bond must be no less than the amount of the taxes.

Under current law, unless the municipality enacts an ordinance for the payment of the taxes, a municipal treasurer must execute a surety bond in an amount that is twice the amount of the taxes, but no more than \$500,000. If, however, the bond is executed or guaranteed solely by a surety company on the municipal treasurer's behalf, the amount of the bond must be the amount of the taxes, but no more than \$250,000.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
