1 **AN ACT to amend** 450.035 (2g) of the statutes; **relating to:** administration of
2 vaccines by pharmacy students.

Analysis by the Legislative Reference Bureau

Under current law, a person who is a pharmacy student who has completed at least two years of pharmacy studies and a person who has completed pharmacy studies but whose application for licensure as a pharmacist is pending with the Pharmacy Examining Board (pharmacy student) may administer a vaccine to a person who is at least 18 years old if the pharmacy student administers the vaccine under the direct supervision of a licensed pharmacist and certain other requirements are met. Under this bill, a pharmacy student may administer a vaccine to a person who is at least six years old, provided all other current law requirements are met.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
