1. Enumeration of I 43 project

Current law requires that a major highway project receive the approval of the Transportation Projects Commission (TPC) and the legislature before the project may be constructed. This bill adds a project on I 43 between Silver Spring Drive in the city of Glendale and STH 60 in the city of Grafton in Milwaukee and Ozaukee counties, which has been approved by TPC, to the current list of statutorily enumerated projects approved for construction.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 84.013 (3) (af) of the statutes is created to read:

84.013 (3) (af) I 43 extending approximately 14.3 miles between Silver Spring Drive in the city of Glendale and STH 60 in the village of Grafton, in Milwaukee and Ozaukee counties.
