FOR 2019-2021 BUDGET -- NOT READY FOR INTRODUCTION

AN ACT ...; relating to: the budget.

Analysis by the Legislative Reference Bureau

EDUCATION

PRIMARY AND SECONDARY EDUCATION

1. Eliminate Opportunity Schools and Partnership Programs

This bill repeals the Opportunity Schools and Partnership Programs. Under current law, there are three OSPPs: a first class city OSPP applicable only to Milwaukee Public Schools; the MPS superintendent of schools OSPP; and the OSPP for certain eligible school districts. Current law provides that the first class city OSPP and each eligible school district OSPP are under the supervision of a commissioner appointed by the county executive of the county in which the school district is located. Currently, under each OSPP, the commissioner, or MPS superintendent of schools, grants supervision over the operation and general management of each eligible school in the school district to an entity other than the school board. Those entities include a person that operates a charter school and the governing body of a nonsectarian private school participating in a parental choice program. Under current law, an eligible school is a school that was assigned to the lowest performance category on the most recent accountability report published for the school.

2. Eliminate teacher licensure based on an alternative teacher certification program

This bill eliminates the requirement that DPI issue an initial teaching license to an individual who completes an alternative teacher certification program operated by a provider that is a nonprofit organization and that meets all of the following criteria: 1) the organization operates in at least five states; 2) the organization has been operating an alternative teacher certification program for at least ten years; and 3) the organization requires candidates for certification to pass a subject area exam and the pedagogy exam known as the Professional Teaching Knowledge exam.

3. Eliminate restriction on the number of school district referenda in a calendar year

Under current law, if a school board wants to borrow money through a bond issue or exceed the revenue limit otherwise applicable to the school district, the school board must obtain the approval of the school district's electors at a referendum. Under current law, a school board may submit a resolution to borrow money or exceed the revenue limit to electors for approval or rejection no more than two times in any calendar year. The bill eliminates that restriction.

4. Eliminate Open Enrollment transfer amount based on actual costs

This bill eliminates the process for determining a full-time Open Enrollment transfer amount for a child with a disability based on the actual cost to educate the child in the previous year and reinstates the OEP transfer amount for a child with a disability that existed prior to the 2017 Biennial Budget Act. Under the bill, the OEP transfer amount for a child with disability is the same for all children and is determined by law. In the 2018-19 school year, the amount is \$12,431.

[2017 Wisconsin Act 59](#), the 2017 Biennial Budget Act, created a process that allows the transfer amount for a child with a disability in the full-time OEP to be determined based on the actual costs to educate the child in the previous school year, as reported by the nonresident school district. The maximum OEP transfer amount based on actual costs is \$30,000. Under current law, an OEP transfer amount based on actual costs will first be transferred in the 2019-20 school year.

5. Annual adjustment to Open Enrollment transfer amount

Under current law, the OEP transfer amount is adjusted annually. The annual adjustment is an amount equal to the sum of any per member revenue limit increase that applies to school districts in that school year and any per member increase in categorical aids between the current school year and the previous school year. Under the bill, beginning in the 2019-20 school year, the OEP transfer amount annual adjustment is the sum of the per member revenue limit increase that applies to school districts in that school year, if any, and the increase, if any, in the per member amount of per pupil aid paid to school districts between the previous school year and the current school year.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
