Importance: High

Hi Erika & Marc,

Thank you both for getting those /P1s to us! I have a couple more requests to make though...

- 1.) Could we have Senate companions drafted for LRB 5353/1 and LRB 5348/1 and sent to Sen. Bernier?
 - a. Her Chief of Staff, Nathan, is CC'd on this email.

- 2.) Could we have all LRBs (5353/1, 5348/1, 5351/1) and their Senate companions jacketed for introduction in the Assembly and Senate?
 - a. Jeff, Sen. Testin's staff, is also CC'd on this email.

Thanks,
Matalin

OK, so you're looking for new bill numbers, drafted as a /P1. Would you like any part of the drafting files transferred into the new bill file? If you don't want the entire file transferred, are there parts you'd like to pull out so the file has some drafting instructions?

I can also do the companion of -3862/P6 for Sen. Testin. Is there any part of that bill's drafting file that you'd like transferred into the file for Sen. Testing? Again, there should be some drafting instructions if you don't want to include the entire file. Maybe just a sentence similar to the relating clause, "create a refundable individual income tax credit for certain expenses incurred in the rehabilitation of an older home"?

Thanks,

Marc
