**Importance:** High

Hi Marc & Joe –

After discussion with the Dept of Revenue, we need a simple amendment to ASA1 to AB 73. This bill is scheduled to be voted on by the Assembly this THURSDAY, June 20.

Regarding the cut-off date for the tax , we would like something like “The tax will end on the date ending the fiscal quarter in which the district certifies or March 31, 2020, whichever is earlier.”

My attempt at this:

77.707(1) Retailers and the department of revenue may not collect a tax under s.77.705 for any local professional baseball park district created under subch. III of ch. 299 after the last day of the fiscal quarter in which the local professional baseball park district makes certification to the department of revenue under s. 229.685 (2) or after March 31, 2020, whichever is earlier..”

I think for the purposes of AA1 to ASA1 the only change would be the first underlined portion of the above, but I’ll leave final drafting to you.

Also the following change from DOR:

**Amend the newly created 77.76(6), Wis. Stats., as follows:**

(a) If the local professional baseball park district receives from the department any of the taxes ~~collected~~ reported for the district under s. 77.705 following the termination date under s. 77.707 (1), excluding taxes reported to the department before the termination date, that the department paid to the district, the district shall return those taxes to the department, in the manner prescribed by the department, so that the department may distribute the taxes based on the ~~tax revenues derived from~~ population of each county that is part of the district compared to the total population of the district.

(b) The department shall distribute, as provided under par. (a), the taxes ~~collected~~ reported for the district under s. 77.705 following the termination date under s. 77.707 (1), including the amounts returned under par. (a), no later than the date that is 8 months after the termination date. The department shall distribute, as provided under par. (a), any additional amounts ~~collected~~ reported for the district under s. 77.705 after the date that is 6 months after the termination date, ~~including interest, penalties, and~~ amounts due as a result of an audit determination, annually beginning on the first day of the first month that is 7 months after the termination date, and on the first day of that month in each year thereafter.

(c) Each county that receives revenue under s. 77.707 (1) and pars. (a) and (b) shall deposit the revenue into a segregated account established and controlled by the county to use only for property tax relief, public safety, parks and recreation, or economic development.

Thanks for your prompt attention to this.
