Subject: Amendment to AB 17

Ginger and Mike,

It occurs to me that if we are accepting the amendment to AB 17 that makes the mandatory minimum presumptive there is no reason to include the section of the bill that makes the passenger in the car an extenuating circumstance, since that will already be covered in the amendment that is already there. So I would like to introduce another amendment to simplify the bill:

page two: eliminate lines 7-12 and 20-25. Please get this drafted first thing this morning and get it to the clerk by 10am if possible since Spiros wants amendments 24 hours in advance. Any questions please call.

Thanks,

Jim
