### *Analysis by the Legislative Reference Bureau*

This bill requires the Department of Public Instruction to establish a competitive grant program to award grants for the purpose of supporting peer-to-peer suicide prevention programs in public, private, and tribal high schools. Under the bill, a grant may be awarded to support an existing peer-to-peer suicide prevention program or to implement a peer-to-peer suicide prevention program at a high school. However, for the purposes of awarding grants, the bill requires DPI to give a preference to applications to implement peer-to-peer suicide prevention programs.

Under the bill, for each high school for which a grant is awarded, DPI may award the governing body of the high school up to \$1,000. The bill further specifies that DPI may renew a grant for an individual school for up to three additional school years.
