Analysis by the Legislative Reference Bureau

This bill is explained in the NOTES provided by the Joint Legislative Council in the bill.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Study Committee on Identification and Management of Dyslexia.

Testimony before the committee indicated that parents, teachers, and administrators assisting students with dyslexia and related conditions may have difficulty finding information and resources related to dyslexia and related conditions. At its second meeting, the committee heard testimony from representatives from the Minnesota Department of Education, who created a guidebook as a resource for parents and teachers of students with dyslexia in navigating the school system. The committee discussed legislation relating to the creation of a guidebook in Wisconsin and instructed the Legislative Council to have this bill drafted.

This bill requires the Department of Public Instruction (DPI) to develop a guidebook for parents, guardians, teachers, and administrators regarding dyslexia and related conditions. To develop the guidebook, the state superintendent of public

The advisory committee must submit its draft guidebook to DPI within one year of appointment of all members of the advisory committee. DPI must publish the final guidebook within three months after it receives the draft guidebook from the advisory committee. Any school board that maintains an Internet site must include a link to the guidebook on its Internet site.
