### *Analysis by the Legislative Reference Bureau*

Under current law, it is a Class H felony to carry an electric weapon (such as a Taser). Current law provides exceptions to the prohibition for certain persons such as law enforcement or correctional officers on official duty or persons with a license to carry a concealed weapon. This bill creates an exception for a person who holds a license or permit as a private detective, a private investigator, or private security personnel while the person is on official duty if the person may carry a firearm while on official duty.
