Analysis by the Legislative Reference Bureau

Under current law, a firearm, bow, or crossbow may not be placed, possessed, or transported in or on a motorboat or vehicle, except that the restrictions on placing or possessing a firearm on a vehicle do not apply if the vehicle is stationary. This bill adds that the restrictions on placing or possessing a bow or crossbow on a vehicle do not apply if the vehicle is stationary. A vehicle, in this context, includes every device by which any person or property is or may be transported or drawn upon a highway, except railroad trains and personal delivery devices.

Under current law, a bow or crossbow may not be possessed by a person operating an all-terrain vehicle or utility terrain vehicle, unless the bow does not have an arrow nocked or the crossbow is not cocked or is unloaded and enclosed in a carrying case. This bill adds that the restrictions on possessing a crossbow while operating an ATV or UTV do not apply when the ATV or UTV is stationary. Also under this bill, a cocked but unloaded crossbow may be outside a carrying case.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
