Analysis by the Legislative Reference Bureau

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Study Committee on Minor Guardianships. Generally, the bill creates a new process and standards for appointment of a guardian of a minor's person. A description of current law and a summary of the bill's key provisions are provided below.

Introduction

Chapter 54, Stats., currently governs guardianships of the person, estate, or both of minors, as well as incompetent or spendthrift adults. Unlike certain, specialized minor guardianships under ch. 48, Stats., minor guardianships under ch. 54, Stats., do not require involvement by the child welfare system and therefore are informally referred to as "private" guardianships.

Under current law, a guardian of a minor's person has the authority to exercise care, custody, and control over the minor. The court may appoint either a temporary guardian, for a duration up to 60 days and one additional 60-day period, or a permanent guardian, with the appointment terminating only upon certain events specified by statute and case law.

Chapter 54, Stats., focuses primarily on incompetent and spendthrift adults, rendering many of the chapter's provisions inapplicable to minors. Current statutory law does not address certain issues relevant to minor guardianships, such as emergency situations and parental visitation.

Jurisdiction

The bill removes guardianships of a minor's person from ch. 54, Stats., and creates a new statute governing guardianships of a child's person in a new subchapter under ch. 48, Stats. This change transfers jurisdiction over private guardianships from the probate court under ch. 54, Stats., to the children's court under ch. 48, Stats. Under the bill, guardianships of a child's estate remain governed by ch. 54, Stats., but may be consolidated with actions under the new procedure.

The bill does not change the process or standard for appointment of a guardian in the specialized circumstances under ch. 48, Stats. The bill also specifies that a petition filed under the new statute may not seek to change preexisting orders entered in certain actions under chs. 48 and 938, Stats. If any such actions are pending, the bill requires the court to stay any subsequent proceedings under the new statute until the pending action is resolved, subject to certain exceptions. In addition, the bill prohibits a dispositional order under the new statute from changing the placement of a child under the supervision of a court in certain types of actions.

Types of Guardianship

The bill creates four types of guardianships of a child's person: full; limited; temporary; and emergency. The bill clarifies that a parent retains all rights and duties that are not assigned to the guardian or otherwise limited by statute or court order. For each type of guardian, the bill provides the following standards for and duties upon appointment:

ASSEMBLY BILL 47

A full guardianship requires a finding that the child's parents are unfit, unwilling, or unable to provide for the care, custody, and control of the child or other compelling facts and circumstances demonstrate that a full guardianship is necessary. Once appointed, the bill grants a full guardian the duties and authority granted to other guardians under ch. 48, Stats., as well as the following: the authority, subject to a court order, to determine reasonable visitation with the child; the right to change the child's residence from this state to another state; and the duty to report to the court immediately regarding any address changes and annually regarding the child's condition.

A limited guardianship requires a finding that the child's parents need assistance in providing for the care, custody, and control of the child. The court must specify the limited guardian's duties and authority, and may limit such authority to allow a parent to retain certain decision-making powers. If in the child's best interest, the court may also allow shared physical custody among the limited guardian and the parent.

A temporary guardianship requires a finding that the child's particular situation, including the inability of the child's parents to provide for the care, custody, and control of the child for a temporary period of time, requires the appointment of a temporary guardian. A temporary guardian may be appointed for a period not to exceed 180 days, though the court may grant one additional 180-day period for good cause shown. In its order, the court must limit the temporary guardian's authority to those acts that are reasonably related to the reasons for the appointment.

An emergency guardianship requires a finding that the child's welfare requires the immediate appointment of an emergency guardian. The court may appoint an emergency guardian for a period not to exceed 60 days and must limit the emergency guardian's authority to those acts reasonably related to the reasons for the appointment.

Procedure for Full, Limited and Temporary Guardianships

Under the bill, any person, including a child 12 years of age or older, may petition for the appointment of a guardian for a child. The petition must contain certain information including the type of guardianship sought, the facts and circumstances establishing that a guardianship is needed, the name and address of a proposed guardian, and other information as specified in the bill. A parent or a child 12 years or older may also nominate a guardian under the bill. Under the bill, the court must appoint the person nominated as the guardian by the parent, unless the court finds that appointment of the person nominated is not in the child's best interest.

The bill requires that an initial hearing be held within 45 days after a petition is filed. At least 96 hours before the initial hearing, the proposed guardian must submit a report to the court as to his or her existing parental, guardianship, or custodial responsibilities and financial situation, and as to whether he or she is charged with or has been convicted of a crime or child abuse or neglect. Any interested person, as defined in the bill, may become a party to the hearing.

At the initial hearing, the court must first determine whether any party wishes to contest the petition. If the petition is not contested, the court must immediately proceed to a fact-finding and dispositional hearing, unless an adjournment is requested. If the petition is contested and all parties consent, the court may proceed immediately to a fact-finding and dispositional hearing. If any party does not consent or if an adjournment is requested, the court must set a date for a fact-finding and dispositional hearing that allows reasonable time for the parties to prepare but is not more than 30 days after the initial hearing.

At the fact-finding and dispositional hearing, any party may present evidence, including expert testimony, and argument relating to the allegations in the petition. The court must determine whether the petitioner has proven the allegations in the petition by clear and convincing evidence and must immediately proceed to determine the appropriate disposition.

The bill requires the court to consider all of the following factors in determining the appropriate disposition: 1) any nomination of a guardian made by a parent or the child,

ASSEMBLY BILL 47

if 12 years of age or older, and the opinions of the parents and child as to what is in the child's best interests; 2) whether the proposed guardian would be fit, willing, and able to serve as the child's guardian; 3) if the child is an Indian child, the order of placement preference required for an Indian child in an Indian child custody proceeding, unless the court finds good cause for departing from that order; and 4) whether appointment of the proposed guardian is in the child's best interests.

Procedure for Emergency Guardianships

Under the bill, any person may petition for the appointment of an emergency guardian for a child. The petition must contain the same information required for a full, limited, or temporary guardianship, and must specify the reasons for the appointment of and the powers requested for an emergency guardian.

The bill requires the court to hold a hearing on an emergency petition as soon as possible after the filing of the petition or, for good cause shown, the court may issue a temporary order appointing an emergency guardian without a hearing, which remains in effect until a hearing is held. Any person who receives notice of the emergency guardianship petition under the bill has a right to a hearing for reconsideration or modification of an emergency guardianship.

Role of the Guardian ad Litem

Generally, the bill requires appointment of a guardian ad litem (GAL) in proceedings to appoint a guardian or terminate a guardianship, as well as in proceedings to modify a guardianship, if a hearing will be held.

The GAL represents the best interests of the child throughout the proceedings but must apply in all court proceedings the applicable standard specified in the bill. In addition to certain specific duties and responsibilities required of a GAL under the Children's Code, the GAL must conduct a diligent investigation sufficient to represent the best interests of the child in court. As appropriate to the circumstances, this investigation may include, personally or through a trained designee, meeting with or observing the child, meeting with any proposed guardian, meeting with interested persons, and visiting the homes of the child and the proposed guardian.

The GAL is required to attend all court proceedings relating to the guardianship, present evidence concerning the best interest of the child, if necessary, and make clear and specific recommendations to the court at every stage of the proceedings. Further, the bill requires the GAL to inspect certain reports and records relating to the child and, upon presentation of necessary releases, the child's family and the proposed guardian. The court must order custodians of the specified reports or records to permit inspection and copying of such reports or records by the GAL.

Post-Appointment Matters

The bill allows a court, on its own motion or upon the petition of any interested person, to appoint a successor guardian after a guardian has died, been removed, or resigned, or as a part of the original appointment or any time after, even while the current guardianship is still in place.

Under the bill, if the guardian abuses or neglects the child or knowingly permits others to do so, fails to disclose information that would have prevented his or her appointment as guardian, fails to follow or comply with the court's order, or otherwise fails to perform any of his or her duties as guardian, the court may exercise its continuing jurisdiction to impose certain remedies, including removal of the guardian and appointment of a successor guardian, modification of the duties and authority of the guardian, or entry of an order that may be necessary or appropriate to compel the guardian to carry out the guardian's duties. The court may also require the guardian to pay any costs of the proceeding if the guardian's conduct was egregious. The bill requires the court to hold a hearing on a petition for the review of the conduct of a guardian within 30 days of the filing of the petition.

The bill authorizes a court to modify a guardianship order, if the court finds that there has been a substantial change in circumstances since the last order affecting the

ASSEMBLY BILL 47

guardianship was entered and that the proposed modification is in the child's best interests.

Under the bill, a guardianship continues until the child attains the age of 18 years unless 1) the guardianship is for a lesser period of time and that time has expired; 2) the child marries; 3) the child dies; 4) the child's residence changes from this state to another state and a guardian is appointed in the new state of residence; 5) the guardian dies, or resigns and the resignation is approved by the court, and a successor guardian is not appointed; 6) the guardian is removed for cause and a successor guardian is not appointed; 7) the guardianship is terminated on the request of a parent or the child; or 8) the court terminates the guardianship upon the adoption of the child.

The bill also allows a parent or child to petition for termination of a guardianship. Specifically, the court must terminate the guardianship if it finds that the petitioner has shown by a preponderance of the evidence that a substantial change in circumstances since the last order affecting the guardianship was entered, that the parent is fit, willing, and able to carry out the duties of a guardian or that no compelling facts or circumstances exist demonstrating that a guardianship is necessary, and that termination of the guardianship would be in the best interests of the child.

ASSEMBLY BILL 47**SECTION 20**

1 (c) Nothing in this section prohibits an individual from petitioning a court for
2 the appointment of a guardian of the person under s. 48.9795 or a guardian of the
3 estate under ch. 54.

4 **SECTION 21.** 48.9795 of the statutes is created to read:

5 **48.9795 Appointment of guardian of the person for a child. (1)**

6 DEFINITIONS. In this section:

7 (a) "Interested person" means any of the following:

8 1. For purposes of a petition for guardianship of a child, any of the following:

10 ad litem and counsel, if any.

11 b. The child's parent, guardian, legal custodian, and physical custodian.

12 c. Any person who has filed a declaration of paternal interest under s. 48.025,

14 statements of the mother or other information presented to the court, be the father
15 of the child.

16 d. Any individual who is nominated as guardian or as a successor guardian.

17 e. If the child has no living parent, any individual nominated to act as fiduciary
18 for the child in a will or other written instrument that was executed by a parent of
19 the child.

20 f. If the child is receiving or in need of any public services or benefits, the county
21 department or, in a county having a population of 750,000 or more, the department
22 that is providing the services or benefits, through district attorney, corporation
23 counsel, or other officials designated under s. 48.09.

24 g. If the child is an Indian child, the Indian child's Indian custodian and Indian
25 tribe.

ASSEMBLY BILL 47

- 1 h. Any other person that the court may require.
- 2 2. For purposes of proceedings subsequent to an order for guardianship of a
3 child, any of the following:
- 4 a. The child, if the child has attained 12 years of age, the child's guardian ad
5 litem, and the child's counsel.
- 6 b. The child's parent and guardian.
- 7 c. The county of venue, through the district attorney, corporation counsel, or
8 other official designated under s. 48.09, if the county has an interest in the
9 guardianship.
- 10 d. If the child is an Indian child, the Indian child's tribe.
- 11 e. Any other person that the court may require.
- 12 (b) "Party" means the person petitioning for the appointment of a guardian for
13 a child or any interested person other than a person who is alleged to the court to be
14 the father of the child or who may, based on the statements of the mother or other
15 information presented to the court, be the father of the child.
- 16 **(2) APPOINTMENT; VENUE; NOMINATION; DUTY AND AUTHORITY.** (a) *Venue.* Except
17 as provided under par. (b) 2., venue for guardianship under this section shall be in
18 the child's county of residence or in the county in which the child is physically
19 present, or, if the child is a nonresident, the county in which the petitioner proposes
20 that the child resides. The court may, upon a motion and for good cause shown,
21 transfer the case, along with all appropriate records, to the county in which a
22 dispositional order has been issued under this chapter.
- 23 (b) *Appointment.* 1. This section may be used for the appointment of a guardian
24 of the person for a child. An appointment of a guardian of the estate of a child shall
25 be conducted under the procedures specified in ch. 54. If the court assigned to

ASSEMBLY BILL 47**SECTION 21**

1 exercise jurisdiction under this chapter has jurisdiction over a proceeding for the
2 appointment of a guardian of the person for a child or continuing jurisdiction over
3 such a guardianship and the court assigned to exercise probate jurisdiction has
4 jurisdiction over a proceeding for the appointment of a guardian of the estate of the
5 child or continuing jurisdiction over such a guardianship, the court assigned to
6 exercise jurisdiction under this chapter may order those proceedings or
7 guardianships to be consolidated under the jurisdiction of the court assigned to
8 exercise jurisdiction under this chapter. Upon such consolidation, the court assigned
9 to exercise jurisdiction under this chapter shall order all records relating to the
10 guardianship of the estate of the child to be transferred to the court assigned to
11 exercise jurisdiction under this chapter and that court shall retain those records as
12 required under SCR chapter 72. This section does not prohibit a person from
13 petitioning a court under s. 48.831, 48.977, or 48.978 for the appointment of a
14 guardian of the person for a child.

15 2. If the child is the subject of any matter pending under s. 48.13, 48.133, or
16 48.14 (1) to (10) or (12) or ch. 938, any subsequent petition filed under this section
17 shall be heard by the court authorized to exercise jurisdiction over the pending
18 matter. The court shall stay a guardianship proceeding for the appointment of a full,
19 limited, or temporary guardian of the person for a child under par. (d) 1., 2., or 3. until
20 the matter pending under s. 48.13, 48.133, or 48.14 (1) to (10) or (12) or ch. 938 is
21 resolved. The court may appoint an emergency guardian under sub. (6) while any
22 matter is pending under s. 48.13, 48.133, or 48.14 (1) to (10) or (12) or ch. 938 if the
23 court finds that the best interests of the child require the immediate appointment of
24 a guardian.

ASSEMBLY BILL 47

1 3. A petition filed under this section may not seek to change an order under s.
2 48.13, 48.133, or 48.14 (1) to (10) or (12) or ch. 938.

3 4. The court may appoint coguardians of the person for a child under this
4 section, subject to any conditions that the court imposes. Unless the court orders
5 otherwise, any decision concerning the child must be concurred in by all coguardians
6 or is void.

7 (c) *Nomination by parent or child.* 1. A parent may nominate a guardian and
8 successor guardian for any of his or her children who is in need of guardianship,
9 including a nomination by will. Subject to the rights of a surviving parent, the court
10 shall appoint the person nominated as guardian or successor guardian, unless the
11 court finds that appointment of the person nominated is not in the child's best
12 interests.

13 2. A child who has attained 12 years of age may nominate his or her own
14 guardian, but if the child is outside of the state or if other good reason exists, the court
15 may dispense with the child's right of nomination. If neither parent of a child who
16 has attained 12 years of age is fit, willing, and able to carry out the duties of a
17 guardian, the court may appoint the nominee of the child.

18 3. In determining who is appointed as guardian, the court shall consider the
19 nominations of the parents and child and the opinions of the parents and child as to
20 what is in the best interests of the child, but the best interests of the child as
21 determined by the court shall control in making the determination when those
22 nominations and opinions are in conflict with those best interests.

23 (d) *Duties and authority of guardian.* 1. 'Full guardianship.' Subject to subds.
24 2. and 5., a guardian appointed under sub. (4) (h) 2. has all of the following duties and
25 authority:

ASSEMBLY BILL 47**SECTION 21**

1 a. All of the duties and authority specified in s. 48.023.

2 b. Subject to an order of a court of competent jurisdiction, the authority to
3 determine reasonable visitation with the child.

4 c. The right to change the residence of the child from this state to another state.

5 d. The duty to immediately notify the court that appointed the guardian of any
6 change in the address of the guardian or child and to make an annual report to that
7 court on the condition of the child. The report shall include the location of the child,
8 the health condition of the child, and any recommendations regarding the child.

9 2. 'Limited guardianship.' The court may order that the duties and authority
10 of a guardian appointed under sub. (4) (h) 2. be limited. The duties and authority of
11 a limited guardian shall be as specified by the order of appointment under sub. (4)
12 (h) 2. The duties and authority of a full guardian shall apply to a limited guardian
13 to the extent relevant to the duties or authority of the limited guardian, except as
14 limited by the order of appointment. The court may limit the authority of a guardian
15 with respect to any power to allow the parent to retain such power to make decisions
16 as is within the parent's ability to exercise effectively and may limit the physical
17 custody of a guardian to allow shared physical custody with the parent if shared
18 physical custody is in the best interests of the child. The court shall set an expiration
19 date for a limited guardianship order, which may be extended for good cause shown.

20 3. 'Temporary guardianship.' If it is demonstrated to the court that a child's
21 particular situation, including the inability of the child's parent to provide for the
22 care, custody, and control of the child for a temporary period of time, requires the
23 appointment of a temporary guardian, the court may appoint a temporary guardian
24 as provided under sub. (5).

ASSEMBLY BILL 47

1 4. 'Emergency guardianship.' If it is demonstrated to the court that the welfare
2 of a child requires the immediate appointment of an emergency guardian, the court
3 may appoint an emergency guardian as provided under sub. (6).

4 5. 'Powers of guardian.' The parent retains all rights and duties accruing to the
5 parent as a result of the parent-child relationship that are not assigned to the
6 guardian or otherwise limited by statute or court order. A guardian acting on behalf
7 of a child may exercise only those powers that the guardian is authorized to exercise
8 by statute or court order. The court may authorize a guardian to exercise only those
9 powers that are necessary to provide for the care, custody, and control of the child and
10 to exercise those powers in a manner that is appropriate to the child. This paragraph
11 does not abridge the duties and authorities of a guardian appointed under this
12 chapter outside of this section.

13 **(3) GUARDIAN AD LITEM.** (a) The court shall appoint a guardian ad litem when
14 a petition is filed for appointment of a guardian or termination of a guardianship
15 under this section. Except as provided under sub. (6) (b) 3., the court shall appoint
16 the guardian ad litem as soon as possible and before the initial hearing. The court
17 shall appoint a guardian ad litem when it determines that a hearing for modification
18 is to be held under sub. (9) (b). In a case that is contested, the guardian ad litem may
19 file a motion pursuant to s. 48.235 (8) (b).

20 (b) The guardian ad litem has the duties and responsibilities required under
21 s. 48.235 (3) (a). The guardian ad litem represents the best interests of the child
22 throughout the proceedings but must apply in all court proceedings the applicable
23 standard under sub. (4) (b) 4. to 7. The guardian ad litem shall conduct a diligent
24 investigation sufficient to represent the best interests of the child in court. As
25 appropriate to the circumstances, the investigation may include, personally or

ASSEMBLY BILL 47**SECTION 21**

1 through a trained designee, meeting with or observing the child, meeting with the
2 proposed guardian, meeting with interested persons, and visiting the homes of the
3 child and the proposed guardian. The guardian ad litem shall attend all court
4 proceedings relating to the guardianship, present evidence concerning the best
5 interests of the child, if necessary, and make clear and specific recommendations to
6 the court at every stage of the proceedings.

7 (c) To the extent necessary to fulfill the duties and responsibilities required of
8 the guardian ad litem in the proceedings, the guardian ad litem shall inspect reports
9 and records relating to the child and, upon presentation of necessary releases, the
10 child's family, and the proposed guardian, including law enforcement reports and
11 records under ss. 48.396 (1) and 938.396 (1) (a), court records under ss. 48.396 (2) (a)
12 and 938.396 (2), social welfare agency records under ss. 48.78 (2) (a) and 938.78 (2)
13 (a), abuse and neglect reports and records under s. 48.981 (7) (a) 11v., pupil records
14 under s. 118.125 (2) (L), mental health records under s. 51.30 (4) (b) 4., and health
15 care records under s. 146.82 (2) (a) 4. The court shall include in the order appointing
16 the guardian ad litem an order requiring the custodian of any report or record
17 relating to the child specified in this paragraph to permit the guardian ad litem to
18 inspect and copy the report or record on presentation by the guardian ad litem of a
19 copy of the order.

20 (4) PROCEDURES. (a) *Petition; who may file.* 1. Except as provided in subd. 2.,
21 any person, including a child 12 years of age or over on his or her own behalf, may
22 petition for the appointment of a guardian for a child.

23 2. If there is any matter pending under s. 48.13, 48.133, or 48.14 (1) to (10) or
24 (12) or ch. 938, a petition under this subsection may be filed by any party to the
25 pending matter or any person approved by the court if the petition is consistent with

ASSEMBLY BILL 47

1 the goal or goals of the child's permanency plan and does not seek to change the
2 requirements of any preexisting court order issued under s. 48.13, 48.133, or 48.14
3 (1) to (10) or (12) or ch. 938.

4 (b) *Petition; form and content.* A petition for guardianship may include an
5 application for protective placement or protective services or both under ch. 55. The
6 petition shall be entitled "In the interest of ... (child's name), a person under the age
7 of 18" and shall state all of the following, if known to the petitioner:

8 1. The name, date of birth, and address of the child.

9 2. The names and addresses of the petitioner, the child's parents, current
10 guardian, and legal custodian, if any, the proposed guardian, any proposed successor
11 guardians, and all other interested persons.

12 3. Whether the petitioner is requesting a full guardianship, a limited
13 guardianship, a temporary guardianship, or an emergency guardianship.

14 4. If the petitioner is requesting a full guardianship, the facts and
15 circumstances establishing that the child's parents are unfit, unwilling, or unable to
16 provide for the care, custody, and control of the child or other compelling facts and
17 circumstances demonstrating that a full guardianship is necessary.

18 5. If the petitioner is requesting a limited guardianship, the facts and
19 circumstances establishing that the child's parents need assistance in providing for
20 the care, custody, and control of the child and a statement of the specific duties and
21 authority under sub. (2) (d) sought by the petitioner for the proposed guardian and
22 the specific parental rights and duties that the petitioner seeks to have transferred.

23 6. If the petitioner is requesting a temporary guardianship, the facts and
24 circumstances establishing that the child's particular situation, including the
25 inability of the child's parents to provide for the care, custody, and control of the child

ASSEMBLY BILL 47**SECTION 21**

1 for a temporary period of time, requires the appointment of a temporary guardian;
2 the reasons for the appointment of a temporary guardian; and the powers requested
3 for the temporary guardian.

4 7. If the petitioner is requesting an emergency guardianship, the facts and
5 circumstances establishing that the welfare of the child requires the immediate
6 appointment of an emergency guardian.

7 8. The facts and circumstances establishing that the proposed guardian is fit,
8 willing, and able to serve as the child's guardian.

9 9. The information required under s. 822.29 (1).

10 10. Whether the child may be subject to s. 48.028 or the federal Indian Child
11 Welfare Act, 25 USC 1901 to 1963, and, if the child may be subject to s. 48.028 or that
12 act, the names and addresses of the child's Indian custodian, if any, and Indian tribe,
13 if known.

14 11. If the petitioner knows or has reason to know that the child is an Indian
15 child, reliable and credible information showing that continued custody of the child
16 by the child's parent or Indian custodian is likely to result in serious emotional or
17 physical damage to the child under s. 48.028 (4) (d) 1. and that active efforts under
18 s. 48.028 (4) (d) 2. have been made to prevent the breakup of the Indian child's family
19 and that those efforts have proved unsuccessful and, if the proposed guardianship
20 would change the placement of the child from the home of his or her parent or Indian
21 custodian to a placement outside that home, a statement as to whether the new
22 placement is in compliance with the order of placement preference under s. 48.028
23 (7) (b) or, if applicable, s. 48.028 (7) (c) and, if the new placement is not in compliance
24 with that order, specific information showing good cause, as described in s. 48.028
25 (7) (e), for departing from that order.

ASSEMBLY BILL 47

1 12. Whether the petitioner is aware of any guardianship or other related
2 proceeding involving the child that is pending in another court and, if so, the details
3 of the guardianship, termination of parental rights, or related proceeding.

4 13. Whether there is any matter pending or the child is subject to a court order
5 under s. 48.13, 48.133, or 48.14 or ch. 938.

6 (c) *Service of petition and notice.* 1. Except as provided in subd. 3. and sub. (6)
7 (b) 2., the petitioner shall cause the petition and notice of the time and place of the
8 hearing under par. (e) to be served at least 7 days before the time of the hearing upon
9 all interested persons. Failure of the petitioner to provide notice to all interested
10 persons shall deprive the court of jurisdiction unless notice is specifically waived by
11 an interested person or by the court for good cause shown.

12 2. A notice shall be in writing. A copy of the petition and any other required
13 document shall be attached to the notice. Except as provided in subd. 3. and sub. (6)
14 (b) 2., notice shall be delivered in person or by certified mail. Notice is considered to
15 be given by proof of personal delivery, by proof that the notice was sent by certified
16 mail to the last-known address of the recipient, or, if the recipient is an adult, by the
17 written admission of service of the person served.

18 3. If the petitioner knows or has reason to know that the child is an Indian child,
19 notice to the Indian child's parent, Indian custodian, and Indian tribe shall be
20 provided in the manner specified in s. 48.028 (4) (a). No hearing may be held under
21 par. (e) or (f) until at least 10 days after receipt of the notice by the Indian child's
22 parent, Indian custodian, and Indian tribe or, if the identity or location of the Indian
23 child's parent, Indian custodian, or tribe cannot be determined, until at least 15 days
24 after receipt of the notice by the U.S. secretary of the interior. On request of the
25 Indian child's parent, Indian custodian, or Indian tribe, the court shall grant a

ASSEMBLY BILL 47**SECTION 21**

1 continuance of up to 20 additional days to enable the requester to prepare for the
2 hearing.

3 (d) *Statement by proposed guardian.* At least 96 hours before the hearing under
4 par. (e), the proposed guardian shall submit to the court a sworn and notarized
5 statement as to the number of persons for whom the proposed guardian is
6 responsible, whether as a parent, guardian, or legal custodian, as to the proposed
7 guardian's income, assets, debts, and living expenses, and as to whether the
8 proposed guardian is currently charged with or has been convicted of a crime or has
9 been determined under s. 48.981 (3) (c) to have abused or neglected a child. If the
10 proposed guardian is currently charged with or has been convicted of a crime or has
11 been determined under s. 48.981 (3) (c) to have abused or neglected a child, he or she
12 shall include in the sworn and notarized statement a description of the
13 circumstances surrounding the charge, conviction, or determination.

14 (e) *Initial hearing.* 1. The initial hearing on a petition for guardianship, other
15 than a petition for emergency guardianship under sub. (6), shall be heard within 45
16 days after the filing of the petition. At the hearing, the court shall first determine
17 whether any party wishes to contest the petition. If the petition is not contested, the
18 court shall immediately proceed to a fact-finding and dispositional hearing, unless
19 an adjournment is requested. If the petition is contested and all parties consent, the
20 court may proceed immediately to a fact-finding and dispositional hearing. If any
21 party does not consent or if an adjournment is requested, the court shall set a date
22 for a fact-finding and dispositional hearing that allows reasonable time for the
23 parties to prepare but is not more than 30 days after the initial hearing.

24 2. The proposed guardian and any proposed successor guardian shall be
25 physically present at all hearings unless the court excuses the attendance of either

ASSEMBLY BILL 47

1 or, for good cause shown, permits attendance by telephone. The child is not required
2 to attend any hearings, but if the child has nominated the proposed guardian, the
3 child shall provide to the guardian ad litem sufficient information for the guardian
4 ad litem to advise the court on whether the nomination is in the best interests of the
5 child.

6 3. If a man who has been given notice under par. (c) 1. appears at the initial
7 hearing, alleges that he is the father of the child, and states that he wishes to
8 establish the paternity of the child, s. 48.299 (6) applies. The court may order a
9 temporary guardianship under sub. (5) pending the outcome of the paternity
10 proceedings.

11 (f) *Fact-finding and dispositional hearing.* The court shall hold the
12 fact-finding and dispositional hearing at the time specified or set by the court under
13 this paragraph, at which any party may present evidence, including expert
14 testimony, and argument relating to the allegations in the petition. The court shall
15 determine whether the petitioner has proven the allegations in the petition under
16 par. (b) by clear and convincing evidence and shall immediately proceed to determine
17 the appropriate disposition under par. (h), considering the factors under par. (g).

18 (g) *Dispositional factors.* In determining the appropriate disposition under par.
19 (h), the court shall consider all of the following:

20 1. Any nominations made under sub. (2) (c) 1. or 2. and the opinions of the
21 parents and child as to what is in the best interests of the child, but the best interests
22 of the child as determined by the court shall control in making the determination
23 when those nominations and opinions are in conflict with those best interests.

24 2. Whether the proposed guardian would be fit, willing, and able to serve as the
25 guardian of the child.

ASSEMBLY BILL 47**SECTION 21**

1 3. If the child is an Indian child, the order of placement preference under s.
2 48.028 (7) (b) or, if applicable, s. 48.028 (7) (c), unless the court finds good cause, as
3 described in s. 48.028 (7) (e), for departing from that order.

4 4. Whether appointment of the proposed guardian as the child's guardian is in
5 the best interests of the child.

6 (h) *Disposition.* At the conclusion of the hearing under par. (f), the court shall
7 grant one of the following dispositions, unless the court adjourns the hearing under
8 par. (i):

9 1. A disposition dismissing the petition if the court finds that the petitioner has
10 not proved the allegations in the petition by clear and convincing evidence or
11 determines that appointment of the proposed guardian as the child's guardian is not
12 in the best interests of the child. Dismissal of a petition under this subdivision does
13 not preclude the court from referring the child to the intake worker for an intake
14 inquiry under s. 48.24 or from acting as an intake worker at the court's discretion
15 under s. 48.10.

16 2. A disposition ordering the guardianship and issuing letters of guardianship
17 if the court finds that the petitioner has proved the allegations in the petition by clear
18 and convincing evidence and determines that such an appointment is in the best
19 interests of the child. A dispositional order under this section may not change the
20 placement of a child under the supervision of a court pursuant to s. 48.13, 48.133, or
21 48.14 (1) to (10) or (12) or ch. 938. The disposition shall include all of the following:

22 a. Whether the appointment is for a full, limited, or temporary guardianship,
23 and, if limited or temporary, the limitations and expiration date of the guardianship.

24 b. If applicable, the amount of support to be paid by the child's parents.

ASSEMBLY BILL 47

1 c. If applicable, and subject to sub. (13), reasonable rules of parental visitation.
2 Subject to a court order under this subdivision or sub. (9) or (13), the guardian's
3 decision regarding visitation is presumed to be in the best interest of the child and,
4 if the court reviews the decision, the petitioner has the burden of proving by clear and
5 convincing evidence that the decision of the guardian is not in the best interest of the
6 child.

7 (i) *Adjournment; proposed guardian unfit or not in best interests.* If at the
8 conclusion of the hearing under par. (f) the court finds that the petitioner has proved
9 the allegations in the petition, other than the allegation specified in par. (b) 8., by
10 clear and convincing evidence, but that the proposed guardian is not fit, willing, and
11 able to serve as the guardian of the child, or if the court finds that the petitioner has
12 so proved all of the allegations in the petition, but that appointment of the proposed
13 guardian as the child's guardian is not in the best interests of the child, the court may,
14 in lieu of granting a disposition dismissing the petition under par. (h) 1., adjourn the
15 hearing for not more than 30 days, request the petitioner or any other party to
16 nominate a new proposed guardian, and order the guardian ad litem to report to the
17 court concerning whether the new proposed guardian is fit, willing, and able to serve
18 as the guardian of the child.

19 **(5) TEMPORARY GUARDIANSHIPS.** (a) *Duration and extent of authority.* The court
20 may appoint a temporary guardian for a child for a period not to exceed 180 days,
21 except that the court may extend this period for good cause shown for one additional
22 180-day period. The court's determination and order appointing the temporary
23 guardian shall specify the authority of the temporary guardian, which shall be
24 limited to those acts that are reasonably related to the reasons for the appointment
25 that are specified in the petition for temporary guardianship. The authority of the

ASSEMBLY BILL 47**SECTION 21**

1 temporary guardian is limited to the performance of those acts stated in the order
2 of appointment.

3 (b) *Procedures for appointment.* A petition for the appointment of a temporary
4 guardian shall be heard in the same manner and is subject to the same requirements
5 as provided in this section for the appointment of a full or limited guardian.

6 (c) *Cessation of powers.* The duties and powers of the temporary guardian cease
7 upon the expiration of the period specified in par. (a), or the termination as
8 determined by the court of the situation of the child that was the cause of the
9 temporary guardianship. Upon cessation of a temporary guardianship, the
10 temporary guardian shall file with the court any report that the court requires.

11 **(6) EMERGENCY GUARDIANSHIPS.** (a) *Duration and extent of authority.* The court
12 may appoint an emergency guardian for a child for a period not to exceed 60 days.
13 The court's determination and order appointing the emergency guardian shall
14 specify the authority of the emergency guardian and shall be limited to those acts
15 that are reasonably related to the reasons for the appointment that are specified in
16 the petition for emergency guardianship. The authority of the emergency guardian
17 is limited to the performance of those acts stated in the order of appointment. An
18 order appointing an emergency guardian may not change the placement of a child
19 under the supervision of a court pursuant to s. 48.13, 48.133, or 48.14 (1) to (10) or
20 (12) or ch. 938.

21 (b) *Procedures for appointment.* All of the following procedures apply to the
22 appointment of an emergency guardian:

23 1. Any person may petition for the appointment of an emergency guardian for
24 a child. The petition shall contain the information required under sub. (4) (b) and

ASSEMBLY BILL 47

1 shall specify the reasons for the appointment of an emergency guardian and the
2 powers requested for the emergency guardian.

3 2. The petitioner shall give notice of the petition and of the time and place of
4 the hearing under subd. 4. to the child, if 12 years of age or over, the child's guardian
5 ad litem, and the child's counsel, if any; the child's parents, guardian, and legal
6 custodian; and the person nominated as emergency guardian. The notice and a copy
7 of the petition shall be served as soon after the filing of the petition as possible, shall
8 be served by the most practical means possible, including personal service or service
9 by electronic mail or telephone, and shall include notice of the right to petition for
10 reconsideration or modification of the emergency guardianship under subd. 5. If the
11 petitioner serves notice of the hearing after the hearing is conducted and the court
12 has entered an order, the petitioner shall include the court's order with the notice of
13 the hearing.

14 3. The court shall appoint a guardian ad litem for the child as soon as possible
15 after the filing of the petition. The court shall attempt to appoint the guardian ad
16 litem before the hearing on the petition, but may appoint the guardian ad litem after
17 the hearing if the court finds that exigent circumstances require the immediate
18 appointment of an emergency guardian. The guardian ad litem shall conduct a
19 diligent investigation sufficient to represent the best interests of the child in court.
20 If the court appoints a guardian ad litem after entry of the order granting the
21 emergency guardianship, the guardian ad litem may petition for reconsideration or
22 modification of the emergency guardianship under subd. 5. If the court dismisses the
23 petition for emergency guardianship prior to appointing a guardian ad litem, the
24 court need not appoint a guardian ad litem unless the petition is refiled.

ASSEMBLY BILL 47**SECTION 21**

1 4. The court shall hold a hearing on the emergency guardianship petition as
2 soon as possible after the filing of the petition or, for good cause shown, may issue a
3 temporary order appointing an emergency guardian without a hearing that shall
4 remain in effect until a hearing is held on the emergency guardianship petition. If
5 appointed prior to the hearing, the guardian ad litem shall attend the hearing in
6 person or by telephone.

7 5. If the court appoints an emergency guardian, any person specified in subd.
8 2. may petition for reconsideration or modification of the emergency guardianship
9 and the court shall hold a rehearing on the issue of appointment of the emergency
10 guardian within 30 calendar days after the filing of the petition.

11 6. If the court determines that the welfare of the child does not require the
12 immediate appointment of an emergency guardian, the court may dismiss the
13 petition. Dismissal of a petition under this subdivision does not preclude the court
14 from referring the child to the intake worker for an intake inquiry under s. 48.24 or
15 from acting as an intake worker at the judge's discretion under s. 48.10.

16 (c) *Immunity.* An emergency guardian of a child is immune from civil liability
17 for his or her acts or omissions in performing the duties of emergency guardianship
18 if he or she performs the duties in good faith, in the best interests of the child, and
19 with the degree of diligence and prudence that an ordinarily prudent person
20 exercises in his or her own affairs.

21 (d) *Cessation of powers.* The duties and powers of the emergency guardian
22 cease upon the expiration of the period specified in par. (a), or the termination as
23 determined by the court of the situation of the child that was the cause of the
24 emergency guardianship. Upon cessation of an emergency guardianship, the
25 emergency guardian shall file with the court any report that the court requires.

ASSEMBLY BILL 47

1 (7) STANDBY GUARDIANSHIP. A petition for the appointment of a standby
2 guardian of the person for a child to assume the duty and authority of guardianship
3 on the incapacity, death, or debilitation and consent, of the child's parent shall be
4 brought under s. 48.978.

5 (8) SUCCESSOR GUARDIAN. (a) *Appointment; initial petition or during*
6 *guardianship.* 1. As part of a petition for the initial appointment of a guardian of
7 a child or at any time after that appointment, a person may petition for the
8 appointment of one or more successor guardians of the child to assume the duty and
9 authority of full, limited, or temporary guardianship in the event of an occurrence
10 specified in subd. 2. Except as provided in par. (b), if the petition for the appointment
11 of a successor guardian is brought after the initial appointment of a guardian, the
12 petition shall be heard in the same manner and subject to the same requirements as
13 provided under this section for an initial appointment of a guardian.

14 2. After hearing, the court may designate one or more successor guardians
15 whose appointment shall become effective immediately upon the death,
16 unwillingness or inability to act, resignation, or removal by the court of the initially
17 appointed guardian or during a period, as determined by the initially appointed
18 guardian, when the initially appointed guardian is temporarily unable to fulfill his
19 or her duties, including during an extended vacation or illness. The powers and
20 duties of the successor guardian shall be the same as those of the initially appointed
21 guardian. The successor guardian shall receive a copy of the court order establishing
22 or modifying the initial guardianship and of the order designating the successor
23 guardian. Upon the occurrence of an event specified in this subdivision, the
24 successor guardian shall so notify the court and request the court to issue new letters
25 of guardianship. Upon notification, the court shall issue new letters of guardianship

ASSEMBLY BILL 47**SECTION 21**

1 that specify that the successor guardianship is permanent or that specify the period
2 for a temporary successor guardianship.

3 (b) *Appointment; when no guardian.* 1. If a guardian dies, is removed by order
4 of the court, or resigns and the resignation is accepted by the court, the court, on its
5 own motion or upon petition of any interested person, may appoint a person who is
6 fit, willing, and able to serve as successor guardian. The court may, upon request of
7 any interested person or on its own motion, direct that the petition or motion for the
8 appointment of a successor guardian be heard in the same manner and subject to the
9 same requirements as provided under this section for an initial appointment of a
10 guardian.

11 2. If the appointment under subd. 1. is made without hearing, the successor
12 guardian shall provide notice to all interested persons of the appointment and the
13 right to petition for reconsideration of the appointment of the successor guardian.
14 The notice shall be served personally or by mail not later than 7 days after the
15 appointment.

16 **(9) MODIFICATION OF GUARDIANSHIP ORDER.** (a) Any interested person or other
17 person approved by the court may request a modification of a guardianship order
18 entered under this subsection or sub. (4) (h) 2. or the court may, on its own motion,
19 propose such a modification. The request or motion shall set forth in detail the
20 nature of the proposed modification, shall allege facts sufficient to show that there
21 has been a substantial change in circumstances since the last order affecting the
22 guardianship was entered and that the proposed modification would be in the best
23 interests of the child, and shall allege any other information that affects the
24 advisability of the court's disposition.

ASSEMBLY BILL 47

1 (b) The court shall hold a hearing on the matter prior to any modification of the
2 guardianship order if the request or motion indicates that new information is
3 available that affects the advisability of the court's guardianship order, unless
4 written waivers of objections to the modification are signed by all interested persons
5 other than the child and the court approves the waivers.

6 (c) If a hearing is to be held, the person requesting or proposing the modification
7 shall notify all interested persons at least 7 days prior to the hearing of the date,
8 place, and purpose of the hearing. A copy of the request or proposal shall be attached
9 to the notice. The court may order a modification if, at the hearing, the court finds
10 that the person proposing the modification has proved by clear and convincing
11 evidence that there has been a substantial change in circumstances and determines
12 that a modification would be in the best interests of the child. An order for
13 modification under this subsection may not change the placement of a child under
14 the supervision of a court pursuant to s. 48.13, 48.133, or 48.14 (1) to (10) or (12) or
15 ch. 938, other than to modify a guardianship order entered under this section.

16 **(10) REVIEW OF CONDUCT OF GUARDIAN.** (a) *Continuing jurisdiction of court.* The
17 court that appointed the guardian of a child has continuing jurisdiction over the
18 guardian.

19 (b) *Cause for court action against a guardian.* The court may impose a remedy
20 under par. (d) if a guardian of a child does any of the following:

- 21 1. Abuses or neglects the child or knowingly permits others to do so.
- 22 2. Fails to disclose information specified in sub. (4) (d) that would have
23 prevented appointment of the person as guardian.
- 24 3. Fails to follow or comply with the court's order.

ASSEMBLY BILL 47**SECTION 21**

1 4. Otherwise fails to perform any of his or her duties as a guardian under s.
2 48.023.

3 (c) *Procedure.* Any interested person or other person approved by the court may
4 file a petition requesting a review of the conduct of a guardian, or the court, on its
5 own motion, may propose such a review. The request or motion shall allege facts
6 sufficient to show cause under par. (b) for the court to impose a remedy under par.
7 (d). The court shall hold a hearing on the request or motion not more than 30 days
8 after the filing of the request or proposal. Not less than 7 days before the date of the
9 hearing, the person requesting or proposing the review shall provide notice of the
10 hearing to the child, his or her parents, the guardian, and any other persons required
11 by the court. A copy of the request or motion shall be attached to the notice.

12 (d) *Remedies of the court.* If after hearing the court finds by clear and
13 convincing evidence cause as specified in par. (b) to order a remedy under this
14 paragraph, the court may do any of the following:

15 1. Remove the guardian.

16 2. Remove the guardian and appoint a successor guardian.

17 3. Enter any other order that may be necessary or appropriate to compel the
18 guardian to carry out the guardian's duties, including an order setting reasonable
19 rules of visitation with the child.

20 4. Modify the duties and authority of the guardian.

21 5. Require the guardian to pay any costs of the proceeding, including costs of
22 service and attorney fees, if the court finds that the guardian's conduct was
23 egregious.

ASSEMBLY BILL 47

1 **(11) TERMINATION OF GUARDIANSHIP.** (a) *Term of guardianship.* A guardianship
2 under this section shall continue until the child attains the age of 18 years unless any
3 of the following occurs:

4 1. The guardianship is for a lesser period of time and that time has expired.

5 2. The child marries.

6 3. The child dies.

7 4. The child's residence changes from this state to another state and a guardian
8 is appointed in the new state of residence.

9 5. The guardian dies, or resigns and the resignation is accepted by the court,
10 and a successor guardian is not appointed.

11 6. The guardian is removed for cause under sub. (10) (d) 1. and a successor
12 guardian is not appointed.

13 7. The court terminates the guardianship on the request of a parent of the child
14 or the child under par. (b).

15 8. The court terminates the guardianship upon the adoption of the child.

16 (b) *Termination on request of parent or child.* 1. A parent of the child or the
17 child may file a petition requesting that a guardianship order entered under sub. (4)
18 (h) 2., (5), (6), (8), or (9) be terminated. The petition shall allege facts sufficient to
19 show that there has been a substantial change in circumstances since the last order
20 affecting the guardianship was entered, that the parent is fit, willing, and able to
21 carry out the duties of a guardian or that no compelling facts or circumstances exist
22 demonstrating that a guardianship is necessary, and that termination of the
23 guardianship would be in the best interests of the child.

ASSEMBLY BILL 47**SECTION 21**

1 2. The court shall hold a hearing on the petition unless written waivers of
2 objections to termination of the guardianship are signed by all interested persons
3 and the court approves the waivers.

4 3. If a hearing is to be held, by no less than 7 days before the date of the hearing,
5 the parent or child requesting the termination shall provide notice of the hearing to
6 the child, the child's parents, the guardian, and any other persons required by the
7 court. A copy of the petition shall be attached to the notice. The court shall terminate
8 the guardianship if the court finds that the petitioner has proven the allegations in
9 the petition under subd. 1. by a preponderance of the evidence.
