Good morning, Krista.

Rep. Ballweg would like the following changes to be made to LRB-4178/P1:

1. Please remove the references to grades 7 to 12. Instead, the bill should provide that all identification cards issued to pupils include the suicide prevention hotline information, but only if a school issues such cards.
2. Please change the word "HOME" on page 2 line 10 and page 3 line 11 to "HOPELINE."
3. In response to your second drafting note on page 3, please include a provision that permits (but does not require) a school to use up any existing supply of nonconforming ID cards if they choose to do so.

The response to your first drafting note is that the way you have drafted the bill does align with Rep. Ballweg's intent, so no change is necessary in that regard.

Please feel free to call if you would like to discuss this, as I will likely be at or near my desk all day.

Thank you!

Rachel
