

2019 ASSEMBLY BILL 437

1 AN ACT *to create* 97.67 (5m) (c) of the statutes; **relating to:** electronic health
2 records at recreational and educational camps.

Analysis by the Legislative Reference Bureau

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 97.67 (5m) (c) of the statutes is created to read:

4 97.67 **(5m)** (c) If the department requires health services staff to make a record
5 of medication administered or treatment provided to a camper or staff member, the
6 department shall allow such records to be made and maintained electronically, if
7 done in a system that documents each change to the health record and that does not
8 allow previous changes to the health record to be edited or deleted.
