1 **AN ACT** *to renumber and amend* 98.146 (2); and *to amend* 98.146 (1) and
2 98.146 (3) of the statutes; **relating to:** reciprocity for bulk milk weighing and
3 sampling licenses.

Analysis by the Legislative Reference Bureau

This bill allows a person who is licensed by an agricultural agency of another state to take weights and samples of milk in bulk tanks. Current law generally requires a person to hold a license granted by the Department of Agriculture, Trade and Consumer Protection to take weights and samples of milk held in a bulk tank on the farm where the milk is produced.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1.** 98.146 (1) of the statutes is amended to read:
5 98.146 (1) All persons except licensed cheesemakers and buttermakers taking
6 weights and samples of milk in bulk tanks or measuring milk in bulk tanks to
7 determine weight, on the farm premises where such milk is produced, shall be
