

State of Wisconsin
2019 - 2020 LEGISLATURE

LRB-1285/1
CMH:ahe

2019 SENATE BILL 217

1 AN ACT *to create* 255.085 of the statutes; **relating to:** diabetes care and
2 prevention plan.

Analysis by the Legislative Reference Bureau

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 255.085 of the statutes is created to read:
4 **255.085 Diabetes care and prevention action program.** (1) The
5 department shall, in consultation with the department of employee trust funds,
6 develop and implement a plan to reduce the incidence of diabetes in Wisconsin,
7 improve diabetes care, and control complications associated with diabetes. The
8 department may also consult with the department of public instruction and the
9 department of corrections in developing a plan under this section.

SENATE BILL 217**SECTION 1**

1 (2) By January 1, 2021, and biennially thereafter, the department shall submit
2 a report to the chief clerk of each house of the legislature for distribution to the
3 legislature under s. 13.172 (2) that provides all of the following:

4 (a) An assessment of the financial impact and reach diabetes of all types is
5 having on the department, the state, and localities. This assessment shall include
6 the number of individuals with diabetes impacted or covered by the entity, the
7 number of individuals with diabetes and family members impacted by prevention
8 and diabetes control programs implemented by the department, the financial toll or
9 impact diabetes and its complications place on the department's programs, and the
10 financial toll or impact diabetes and its complications place on the department's
11 programs in comparison to other chronic diseases and conditions.

12 (b) An assessment of the benefits of implemented programs and activities
13 aimed at controlling diabetes and preventing the disease. This assessment shall also
14 document the amount of and source for any funding directed to the department or
15 other entities or organizations from the state for programs and activities aimed at
16 reaching those with diabetes.

17 (c) A description of the level of coordination existing within the department and
18 between the department and other entities or organizations on activities,
19 programmatic activities, and messaging on managing, treating, or preventing all
20 forms of diabetes and its complications.

21 (d) The development or revision of the detailed action plan under sub. (1) with
22 a range of actionable items for consideration by the legislature. The department
23 shall identify in the plan proposed steps to reduce the impact of diabetes,
24 prediabetes, and related diabetes complications, and may include associated
25 comorbid conditions. The plan shall also identify expected outcomes of the proposed

SENATE BILL 217

1 steps while also establishing benchmarks for controlling and preventing relevant
2 forms of diabetes.

3 (e) The development of a detailed budget proposal identifying needs, costs, and
4 resources required to implement the plan under sub. (1). This proposal shall include
5 a budget range for all options presented in the plan under sub. (1) for consideration
6 by the legislature.
