Subject: Draft Request: Simple Amendment to SB 523 (LRB-3780)

Eric,

Our office would like to have a simple amendment drafted to SB 523 that would permit those utilizing the Farm CDL exception to operate to/from the farm to a repair or service facilities. We want to be sure that if maintenance or repairs need to be done to the vehicle that the owner can lawfully operate on the roads.

Please let me know if you have any questions.
