PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

1 AN ACT ^{Generate catzlog} relating to: exempting autocycles from emission inspections.

Analysis by the Legislative Reference Bureau

Current law requires the Department of Transportation to conduct a motor vehicle emission inspection and maintenance program in counties in which the air quality does not meet certain federal standards. Under the program, most motor vehicles that are subject to emission limitations established by the Department of Natural Resources must pass periodic emission inspections and may not be registered by DOT unless they have passed these inspections. Certain motor vehicles are exempt from emission inspections, including mopeds, motorcycles, and off-road utility vehicles. This bill exempts autocycles from emission inspections.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

2 SECTION 1. 285.30 (5) (c) of the statutes is amended to read:

3 285.30 (5) (c) A motor vehicle exempt from registration under s. 341.05, except
4 that a motor vehicle owned by the United States is not exempt unless it comes under
5 par. (a), (b), (d), (e), (f), (g), (h), (j), or (k) ^{or (m) plain}
