**Subject:** Non-Statutory Provision Amendment Draft

Hi Zach,

We've been working with the DOT on LRB 5459 and they requested a non-statutory provision. Can you put together a P/ draft amendment to accomplish the following as a non-statutory provision:

- DMV shall issue an autocycle plate to any individual who, prior to April 30, 2020, has made a completed application for motorcycle registration for an autocycle, and who contacts DMV to request the autocycle plate.
- Upon receiving an autocycle plate under this section, the individual shall destroy the motorcycle plate previously issued for that autocycle.
- DMV shall charge no fees related to action under this section, but may charge a fee for counter services.
- Nonstat does not apply after April 30, 2021.

I'd like my boss to see it as an LRB before we agree to amending.

Thanks for your help.
