## Fiscal Estimate Narratives

LRB Number	19-1441/1	Introduction Number	AB-0218	Estimate Type	Original
<b>Description</b> fee remission for certain veterans enrolled in University of Wisconsin System institutions or technical colleges					

### Assumptions Used in Arriving at Fiscal Estimate

This bill expands the fee remission program for certain veterans to include amounts charged to resident students for noncredit or certificate programs including UW-Madison's Certified Public Manager Program. Under current law, remissions are available up to 128 credits or up to 8 semesters, whichever is longer, at any UW System school and for fees at technical colleges but it does not include noncredit or certificate programs.

Changes to the Student Information Systems at all of the campuses would be required to track the noncredit and certificate programming for veterans. Additionally it is not clear how the bill would impact the credit and semester limitations in current law. Lastly, it is not clear how campuses would manage the programmatic cost of delivery given the foregone revenue.
