LRB Number	19-0960/1	Introduction Number	AB-0254	Estimate Type	Original
Description grants to technical college districts for nurse aide training and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

AB-254 requires the Technical College System Board to make grants to the technical college district boards in areas with nurse aid shortages for the purpose of expanding access to nurse aid training. The bill creates a separate \$500,000 annual GPR appropriation (i.e., 20.292(1)(em) nurse aid training for this purpose.

The Technical College System Board would incur up front costs in setting up the grant program and determining the criteria for the allocation of these funds, as well as annual costs to administer the program. Such costs can be absorbed within the agency's budget.
