Assumptions Used in Arriving at Fiscal Estimate

This bill requires the State Auditor to appoint an Inspector General to investigate fraud in Department of Transportation programs and activities, and to report any finding of fraud to the Department of Justice.

The bill does not specify the role of the Department of Justice in investigating or prosecuting fraud identified by the Inspector General. There will be an increase in the workload of the Division of Criminal Investigation if an investigation is conducted, but the frequency and extent of such investigations cannot be reasonably estimated.

The bill does not grant the Department of Justice jurisdiction to prosecute fraud cases resulting from inspector general reports and so the impact on the workload of the Division of Legal Services to prosecute findings of fraud is minimal.
