Description sales and use tax exemption for the sale of gun safes					

Assumptions Used in Arriving at Fiscal Estimate

The bill creates a sale/use tax exemption for the sale and purchase of gun safes that are specifically designed for the storage of guns.

According to the US Census Bureau's 2012 Economic Census, Wisconsin sales of firearms, hunting equipment, and supplies (product line 20536) totaled \$123.6 million in 2012. Assuming sales remain flat and that gun safes represent 5% of sales within product line 20536, taxable sales of gun safes were approximately \$6.2 million in 2018. Under these assumptions, a sales/use tax exemption for gun safes would reduce state sales/use tax collections by about \$309,000 on an annual basis.

County and stadium taxes were 8.0% of state sales taxes in FY18. Assuming this percentage does not change, county and stadium sales and use taxes would decrease by \$24,700.
