<b>Description</b> resident undergraduate tuition remission at the University of Wisconsin System for student teachers and making an appropriation		

**Assumptions Used in Arriving at Fiscal Estimate**

This bill provides full remission of undergraduate tuition to resident undergraduate students enrolled in a teaching program in a University of Wisconsin System school during the UW student's semester of student teaching and it provides a sum sufficient appropriation to reimburse the UW System for this cost.

**Long-Range Fiscal Implications**

This bill would provide a sum sufficient appropriation to fund the remission so there would be no fiscal effect.
