Description prohibiting the sale and use of coal tar-based sealants and high PAH sealant products		

Assumptions Used in Arriving at Fiscal Estimate

The bill prohibits the sale of coal tar-based sealant products, which are sprayed or painted on top of asphalt pavement, and high PAH sealant products (products with more than 0.1 percent polycyclic aromatic hydrocarbons by weight) beginning January 1, 2021, and prohibits the use of such products beginning July 1, 2021.

Fiscal Effect

The bill would reduce state and local costs by an indeterminate amount because the prohibition on the sale and use of coal-tar based and PAH sealant products would reduce work related to water quality regulation, monitoring or remediation.
