Description creating a sexual assault victim bill of rights; collection and reporting of data regarding sexual assault kits; storage and processing of sexual assault kits; tracking of sexual assault kits in sexual assault cases; and requiring the exercise of rule-making authority					

Assumptions Used in Arriving at Fiscal Estimate

This bill establishes procedures for the collection, transmission, processing and storage of sexual assault kits, along with several other matters relating to sexual assault.

This bill does not appear to involve the court system in any of these procedures, except that the bill specifically authorizes the court to impose the cost of administration of any sexual assault kit against the defendant. The bill will have no fiscal impact on the courts.

The bill may have an impact on local law enforcement agencies that are required to collect, transmit and sometimes store the sexual assault kits. An accurate estimate of the increased costs to law enforcement agencies is impossible with existing data.
