Fiscal Estimate Narratives

Description a Wisconsin hemp fiber innovation and technology accelerator in the Wisconsin Institute for Sustainable Technology at the University of Wisconsin–Stevens Point and making an appropriation		

Assumptions Used in Arriving at Fiscal Estimate

The bill would require the UW System to establish a Wisconsin hemp fiber innovation and technology accelerator in the Wisconsin Institute for Sustainable Technology at UW-Stevens Point if at least \$125,000 is received in fiscal year 2019-20 in gifts, grants, or donations to support the accelerator. If this condition is satisfied, the Board of Regents must allocate \$125,000 in funding for the accelerator, and the bill would provide this funding from the environmental fund.

The bill would also change the appropriation for the Wisconsin Institute for Sustainable Technology from an annual appropriation to a biennial appropriation.
