Fiscal Estimate Narratives

LRB Number 19-3818/4	Introduction Number SB-529	Estimate Type Original

Assumptions Used in Arriving at Fiscal Estimate

The bill would require the UW System to 1) prepare a packet of information describing the employment and training opportunities that are available to former students who have not graduated and 2) send a copy of the packet to each individual who was enrolled the preceding semester, but who is not enrolled, and who has not graduated, and to each individual who has withdrawn during a semester or session.

This act would first apply beginning with the first semester or session following the day after publication of the bill and it would be repealed on the first day of the 4th year beginning after publication.

Long-Range Fiscal Implications

The fiscal impact is unclear until program guidelines are established for this program.
