Description modifying an administrative rule of the Department of Safety and Professional Services regarding renewal of a registered electrician enrollment for a youth apprentice		

Assumptions Used in Arriving at Fiscal Estimate

2019 SB 764 creates an exception to the registered electrician continuing education requirement for individuals enrolled in a youth apprentice program approved by the Department of Workforce Development. The continuing education requirements for renewal of an enrollment as a registered electrician do not apply to an individual enrolled in a youth apprenticeship program that includes installing, repairing or maintaining electrical wiring.

Under this bill, the Department estimates no fiscal effect.
