December 9, 2019

2019 Wisconsin Act 39
[2019 Assembly Bill 54]

**Fire, Tornado, and School Safety
Drills**

Prior law required that public and private school pupils be drilled, without previous warning, in how to respond to fires, tornados or other hazards, and school safety incidents. The act provides that the person having direct charge of a public or private school may provide previous warning of such drills if he or she determines that doing so is in the best interest of pupils.

Effective date: November 23, 2019
