2019 Wisconsin Act 81 [2019 Assembly Bill 710]

Ratification of 2018-19 Collective Bargaining Agreement Between the State of Wisconsin and the Wisconsin Building Trades Council

2019 Wisconsin Act 81 ratifies the collective bargaining agreement for the 2018-19 fiscal year that was negotiated between the Wisconsin Building Trades Council and the Department of Administration, Division of Personnel Management, for the State of Wisconsin, and approved by the Joint Committee on Employment Relations.

The agreement provides a general wage adjustment increase of 2.13% for State of Wisconsin employees in covered trades occupations. The effective date of the adjustment is January 6, 2019, with a lump sum payment for current covered employees and laid off employees who were in pay status on that date.

The general wage adjustment for the 2018-19 fiscal year corresponds to the increase in the consumer price index that applied on July 1, 2018. The agreement does not address any other factor or condition of employment.

Effective date: January 30, 2020
