2019 Wisconsin Act 169 [2019 Senate Bill 700]

Laboratory Fee Schedules

2019 Wisconsin Act 169 directs the Department of Natural Resources to use the administrative rulemaking process to promulgate a method for producing its annual schedule of fees for certified and registered laboratories that perform certain environmental testing. Prior law required the fee schedule to itself be promulgated by rule.

Effective date: March 5, 2020
