2019 Assembly Bill 31

**Assembly
Amendment 1**

2019 ASSEMBLY BILL 31

2019 Assembly Bill 31 authorizes the Department of Agriculture, Trade and Consumer Protection (DATCP) to provide grants to an organization with a purpose of addressing human health and safety associated with rural and agricultural work, life, and environments.

An organization receiving such a grant must expend not less than 70 percent of the grant to partially reimburse the costs of purchasing and installing a structure on a farm tractor that protects the operator of the tractor from injuries caused by a rollover. The bill specifies the amount that an organization must pay for each reimbursement and requires an organization receiving a grant to submit an annual report to DATCP describing the expenditure of the grant funds.

The bill provides an annual appropriation of \$250,000 in each of fiscal years 2019-20 and 2020-21.

ASSEMBLY AMENDMENT 1

Assembly Amendment 1 decreases the annual appropriation by \$100,000 in each of the two fiscal years; specifies that DATCP may issue the grants during fiscal years 2019-20, 2020-21, and 2021-22; and sunsets the program on June 30, 2022.
