

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2019 Assembly Bill 42

Assembly Amendment 1

Memo published: May 14, 2019

Contact: Andrea Brauer, Staff Attorney

2019 ASSEMBLY BILL 42

2019 Assembly Bill 42 exempts persons dispensing, distributing, or selling dialysate drugs, or devices necessary for providing home peritoneal kidney dialysis to a patient with end-stage renal disease from being required to obtain a pharmacist license.

The exemption granted under the bill is subject to certain requirements, including that the dialysate drugs or devices are delivered in their original, sealed packaging from the manufacturing facility; dispensing occurs only pursuant to a prescription order issued by a licensed physician; and delivery is made only to a patient with end-stage renal disease, the patient's designee, or a health care provider for administration or delivery to a patient.

ASSEMBLY AMENDMENT 1

Assembly Amendment 1 removes each use of a comma between the words "dialysate" and "drugs" in the bill, so that the provisions apply to "dialysate drugs or devices" rather than "dialysate, drugs, or devices."

BILL HISTORY

Representative Rohrkaste offered Assembly Amendment 1 on March 1, 2019. On May 9, 2019, the Assembly Committee on Health recommended adoption of the amendment, and passage of the bill as amended, on votes of Ayes, 13; Noes, 0.
