2019 ASSEMBLY BILL 52

Assembly Bill 52 creates a presumption that minors are qualified and competent to contract for admission to a shelter facility or transitional living program, if three conditions are met:

- The minor is 17 years of age.
- The minor is not under the supervision of a county department, a child welfare agency, the Department of Children and Families, or the Department of Corrections, or under the jurisdiction of the court.
- A local educational agency liaison designated under the federal McKinney-Vento Homeless Assistance Act (generally referred to as a school's homeless liaison) confirms that the minor is an unaccompanied youth under that act, meaning the minor is a homeless child or youth not in the physical custody of a parent or guardian.

Under the bill, a "shelter facility" means a temporary place of lodging for homeless individuals or families. The bill clarifies that the defense of infancy does not apply to any contracts with a minor entered into based on the presumption created by the bill.

ASSEMBLY AMENDMENT 1

Assembly Amendment 1 changes the bill in three ways. First, the amendment removes the word "homeless" from the definition of "shelter facility." Second, the amendment requires a school's homeless liaison to obtain a minor's consent to disclose the minor's status as an unaccompanied youth. Third, the amendment allows an employee of a shelter facility or

transitional living program who conducts intake to confirm that the minor is an unaccompanied youth, if a school's homeless liaison is not available.
