TAYLOR, THIESFELDT and TUSLER, cosponsored by Senators WANGGAARD, DARLING, CARPENTER, JACQUE, KOOYENGA and SMITH. Referred to Committee on Criminal Justice and Public Safety.

1 **AN ACT to amend** 345.24 (1) of the statutes; **relating to:** release of person after
2 arrest for operating a motor vehicle while intoxicated.

Analysis by the Legislative Reference Bureau

Under current law, if a person is arrested for operating a motor vehicle while under the influence of an intoxicant or with a prohibited alcohol concentration, the person is taken into custody by a law enforcement officer. The arrested person may not be released until 12 hours have elapsed from the time of the arrest, or until a chemical test shows that the person has an alcohol concentration of 0.04 or less, except that the person may be released to a responsible adult at any time. This bill eliminates the option of releasing the person to a responsible adult.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
