1 **AN ACT** *to create* 23.1165 of the statutes; **relating to:** making insect repellant
2 available for sale in state parks and state forests.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Natural Resources to ensure that insect repellant is available for purchase in every state park and state forest, either by selling it at a state park or state forest office or other location in the park or forest when open and staffed, or by arranging by agreement with a friends group that operates a concession stand in the state park or state forest to sell it when the stand is open and staffed.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 23.1165 of the statutes is created to read:
4 **23.1165 Sale of insect repellant. (1)** In this section, “friends group” has the
5 meaning given in s. 23.098 (1) (b).
6 **(2)** The department shall ensure that insect repellant is available for purchase
7 in every state park and state forest through one of the following methods:
