### Assumptions Used in Arriving at Fiscal Estimate

This bill proposes to regulate earned income access services. Under this bill, a provider of earned access services cannot register in Wisconsin, or can have its registration revoked, if the provider is delinquent in unemployment insurance contributions.

This bill has no fiscal effect to the Department. The activities required under this bill are similar to other types of license and registration suspensions performed by the Department and are estimated to have no material administrative impact.

### Long-Range Fiscal Implications
