Description distribution of the aid payment for personal property upon termination of a tax incremental district					

Assumptions Used in Arriving at Fiscal Estimate

Under current law, each municipality, county, school district, special purpose district, tax incremental district, and technical college district receives an aid payment for exempt personal property taxes. The bill clarifies that following the termination of a tax incremental district (TID) the amount that would have been paid to the TID is distributed to the other applicable taxing jurisdictions.

Under current law, as TIDs close, the personal property aid payment decreases. For the 2022 payment, the estimated reduction due to TIDs closing is \$400,100, with a total estimated payment of \$73,822,800. The estimate may vary due to TID extensions and unexpected TID closures.

Under the bill, the personal property aid payment will remain at \$74,222,900 with the closed TID amount (\$400,100) being distributed to other taxing jurisdictions. The department has one-time administrative costs of \$14,700 for computer software changes, which can be absorbed.
